Location: Meridian, Idaho (Non-Remote)
Shifts Available: *Day Shift* – Monday-Friday, 6:00am-2:30pm.

COMPANY SUMMARY

JST Manufacturing is the expert in wet bench design and manufacturer and go-to international wet process and precision cleaning technology solutions manufacturer in the semiconductor, biomedical, food processing, and other clean industries. Our customers regard us as the company that can solve their difficult manufacturing process problems. Utilizing an onsite electrical and mechanical engineering staff, and a full plastic and metal fabrication facility, JST Manufacturing can provide both design and fabrication solutions for all of your wet processing processes. With teamwork, integrity, good judgment, innovation, and respect, we are committed to improving our customer's cleaning and handling challenges with quality, cost-efficient, and safe solutions.

By joining the JST Manufacturing, Inc. team you join a team of experts in wet bench design and manufacturing. From start to finish, we can engineer & design, then manufacture & install the right solution for any cleanroom need around the world.

- Life Insurance
- Paid Time Off
- Holiday Pay
- Referral Program
- Tuition Reimbursement
- Available Overtime
- Flexible Work Schedule

JOB SUMMARY

Utilize engineering blueprints to perform fabrication of metal component parts and assemblies by using appropriate fitting, joining, welding, and finishing techniques as required by product specifications, production schedules, and company quality requirements.

DUTIES & RESPONSIBILITIES

1. Read, understand, and follow work orders, engineering drawings, and specifications to determine optimal fabrication methods required to meet part tolerances, fit, and finish.
2. Competently fabricate, weld, and finish Stainless Steel, Aluminum, and Mild Steel to JST quality standards.
3. Use metalworking tools, power hand tools, and welding equipment safely and efficiently.
4. Competently use measuring instruments and contribute to JST's quality program by following quality procedures.
5. Utilize a Personal Computer and shop floor control software to accurately track job labor and material usage.
6. Understand and follow company procedures and act in a safe manner in a manufacturing environment.
7. Maintain stewardship of equipment and contribute to the maintenance and cleanliness of the shop.
8. Perform miscellaneous tasks as required to support manufacturing, engineering, quality, and quoting departments.
9. Contribute to team effort by achieving results. Work cooperatively with team members, communicate design constraints, and work within the team to achieve solutions.
10. Able to safely lift and carry, push or pull objects up to 50lbs.
11. Able to walk, stand and work on feet for the duration of shift.
12. Able to climb, balance, stoop, kneel, crouch, reach with hands and arms, grasp, handle and operate hand/power tools or controls.

JOB REQUIREMENTS

- Able to read blueprints, work orders, and specifications.
- Able to TIG and MIG weld Stainless Steel, Aluminum, and mild steel.
- Technical degree preferred or equivalent experience.
- Able to produce accurate and good quality parts on schedule.
- Able to use power hand tools safely and efficiently.
- Cleans and maintains equipment in good working order.
- Follow company procedures and maintain a safe work area.
- Able to safely lift and carry, push or pull objects up to 50lbs.
- Able to walk, stand and work on feet for the duration of shift.
- Able to climb, balance, stoop, kneel, crouch, reach with hands and arms, grasp, handle and operate hand/power tools or controls.
- Ability to work and contribute within a team.

TRANSFERRABLE SKILLS/EXPERIENCES

- Must pass our TIG WELDING test.
- Artistic bead
- Food grade welding/sanitary welding

WORK ENVIRONMENT AND EMPLOYEE EXPECTATIONS

- Employees are expected to support the Company's business culture and values by demonstrating teamwork, integrity, good judgement, respect, innovation, and communication as well as by contributing at optimum levels toward the success of the company.
- Able to safely lift and carry, push or pull objects up to 50lbs.
- Able to walk, stand and work on feet for the duration of shift.
- Able to climb, balance, stoop, kneel, crouch, reach with hands and arms, grasp, handle and operate hand/power tools or controls.
- Ability to work and contribute within a team.
